

BANDSWAP | YEG

FOR IMMEDIATE RELEASE

**BANDSWAP YEG 2018
IN SUPPORT OF BOYLE STREET COMMUNITY SERVICES
NOVEMBER 24, 2018
BOHEMIA - 10217 97 STREET NW**

BandSwap YEG is back and better than ever! For its fourth annual iteration, the Edmonton-based musical charity event is bringing musicians together at Bohemia on Saturday November 24th in the hopes of raising over \$2,000 for Boyle Street Community Services.

The 24-hour musical charity brings together musicians of all skill levels for a night of musical diversity unlike any other. Participating musicians are sorted into randomly selected groups and are given a setlist of cover songs to perform, drawn from a hat. We're talking bangers, deep cuts, and guilty pleasures that are sure to shock!

These new bands will have to learn, practice and rehearse the material but they won't have a lot of time to figure them out – their debut performances will be a day later for BandSwap YEG! With no limitations on instrumentation or creativity, expect plenty of surprises and unpredictable performances.

All donations and proceeds from BandSwap YEG will be going to Boyle Street Community Services. Bohemia was chosen as a venue due to its position in the downtown core and its proximity to Boyle Street. So far, \$3,493 in has been raised over the past three years, with \$1,796 raised in 2017 alone. The goal for 2018 is to break \$2,000.

BandSwap YEG will be teaming up with local businesses to give away some fantastic prizes and swag from Sunrise Records, Long & McQuade, Bellstar Hotels & Resorts, Strathcona Spirits, Doubletree by Hinton and more!
